

Surface Mounted

SCP/S

IP54

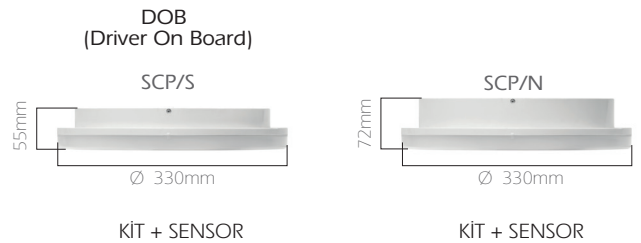

220V AC - DOB

These round-shaped products are surface mounted fixtures. Since light can be extremely homogenous and the protection class is high, the usage of areas are also quite large. Luminaires can be made at two different heights. Luminaires can be more functional by offering kit and sensor mounting option.

SCP/N

Code	SCP/S	SCP/N	SCP/S (DOB)
LED	High Efficiency Mid-Power LED		
Power	16W - 23W		20W
Light Flux	1500lm - 2100 lm		1800 lm
